

INSURANCE

Certificate

Solarif (i.e. Solar Insurance B.V.) declares, after a thorough risk assessment of amongst others the production lines, financial strength, environmental and labor conditions, that the modules mentioned from the **LDK Solar Hi- Tech (Nanchang) Co., Ltd** factories located at No. 189 Dongyuan Road High-tech industrial Development Zone, 330096 Dongyuan Nanchang City, Jiangxi Province, China and located at No.1699 Tianxiang Road Hi- Tech Industrial Development Zone 330096 Yaohu Nanchang City, Jiangxi Province, China, are approved.

This certificate is valid from **22 May 2014** till **22 May 2015** and as long as **LDK Solar Hi-Tech (Nanchang) Co., Ltd** is not insolvent.

This certification enables clients who use the approved modules to insure their PV installation – as an optional cover on the operational Solar PV Insurance – against damages arising from or caused by an inherent defect.

This insurance is exclusively available through Solarif.

For more information or a quotation, please contact us by email midoffice@solarif.com or visit us at www.solarif.com.
